Next week is **Mothering Sunday**. This, of course, is not quite the same as Mother's Day, but we celebrate it together. We have a special service at 11.00am service with an even more special guest preacher.

The **clocks spring forward** next Sunday. So we put our clocks forward and lose an hour of sleep. So don't find yourself arriving at church next Sunday an hour early. Make sure you change your clocks and alarms next Saturday night. You have been warned!

Lent is continuing. There are a number of Lent Groups running. The central Lent Group will be held in the Church this coming Wednesday evening starting at 7.30pm. The theme is: Psalms - Prayers of the Heart.

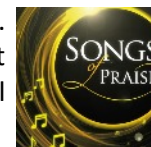

Also, our Mother's Union is running their daytime group on Tuesday at 2.00pm in the Church. The title is "Love - the greatest gift of all". Lent groups are a good way of exploring faith at this time of the year, all are welcome.

Living Work, our monthly evening service continues tonight at St Saviour's at 6.00pm. All are welcome to come along and join in this adult learning focused service.

Our **PCC (management committee)** met last Monday. We are wrestling with a big decision about the appointment of a new **Families & Children's Worker**. Please pray for all those involved in working this issue out.

Songs of Praise were filming at our Community Project recently. They spent time at the shop/foodbank and at the allotment project. The package was shown last Sunday evening but is still available on BBC iplayer.
