Resuming Public Worship at St. Saviours

I write following on from the PCC decision for services at St Saviour's to remain suspended until 30th August.

As you know, I and other members of the church are drawing up detailed plans for re-starting public worship, should the public health situation allow that in September.

Our priority is to try to worship together – something we have missed so much! - yet safely, following the best advice and practice.

We already know that we will need to have

- proper cleaning of items we touch both before and after worship
- 'one use' service sheets or the projector with all communal books, bibles and service sheets removed
- seating that is socially-distanced
- booking in advance so we know exactly who is coming and can implement 'Track and Trace' if necessary
- staggered arrival times to avoid excessive queues or gathering in the entrance
- a welcome team to help arrival and departure to be smooth and safe
- no (or very limited) musical contribution
- advance information given to those coming so they know exactly what to expect and what is expected

There is a possibility that St John's will still offer some form of worship online or we're looking at ways to record and share any service we may have for those who for various reasons may not be able to join us.

To help us plan all this, we need an accurate idea of who is likely to come, and whether as individuals or household bubbles. So can I ask you to complete the form overleaf – even if it's to say you won't be coming – **by Friday 7th August**. This will allow us to collate results before the Extraordinary PCC meeting on the 11th August.

You can respond either by post to

St Saviours Church, Mortomley Lane, High Green S35 3HS (or drop in the mail box by the gate)

By email to secretary@stsaviours.info

or call Simon Hulme on 07454 095273 (and leave a message).

Thank you so much for your help with this and please pray for myself and all involved as they move these plans forward!
