### Rick Stordy Sabbatical update

**Compassion for the vicar** - Rick is now 6 weeks into his sabbatical and has only had 2 weeks for rest and study. The rest of the time he has been deeply involved in his Dad's terminal care, death and funeral - and now caring for his Mum who broke her leg and is too agitated and confused to be left alone. Working together, the wardens at St Saviours, Bishop Pete, and the St John's PCC have offered Rick a 1-month extension to his sabbatical - returning on Monday the 3rd of October. Rick has accepted and wants to express his gratitude to everyone for their compassion and prayers. Please don't hesitate to flag up with Jim or your wardens any concerns you have about the extension. Please also continue to pray for Rick and Gail and the family.

## Update from Martin Brewis

Members of the Interview Panel met with Gerry Smith of Smith & Roper Architects on Monday 11 July. The focus was on Stage 1, the southern extension to the church, of our Development Plan. Initially there is a need to conduct a Feasibility Study and Survey, including design based costs of various options, in order to build the case for the project to be submitted to Historic England and the Sheffield Diocesan Advisory Committee to gain their support.

There is also a need to complete Statements of Significance and Needs, the latter with specific reference to the needs of the church building and of the Church Hall in its current state of repair in order to meet the accommodation requirements of the current and potentially future users of both. At the same time grant-awarding bodies will be surveyed to assess which will be the most appropriate for grant applications to be made.

Hi to you all,  
Thank you, thank you, thank you.  
To all the church family of St Saviours; for the most generous gift given to us, thank you to the Mother's Union and to the individuals who gave us gifts, and thank you for all the cards we have received wishing us well as we start a new episode in our lives in Scotland.  
Our love goes to every one, and we pray that the Holy Spirit guides you and keeps you safe.

## Christian Aid Sponsored Hike –16<sup>th</sup> July 2022

Stanage Pole

On Saturday 16<sup>th</sup> July Simon Hulme and Dave Field completed their 17 mile circular walk between Lodge Moor and Hathersage in support of Christian Aid. With a heatwave forecast they made an early start at 7.30am from Lodge Moor.

Hathersage was reached around 10 am via Stanage Edge. Temperatures rose, particularly in the final hour over the exposed moors from Fox House at Grindleford to Lodge Moor. They arrived back in Lodge Moor, somewhat wearily, at 2.15pm!

A big thank you to all who have supported them and the Charity and they've currently received over £240! If you want to make a donation, please speak with Simon or Dave.

*Footnote – After a break during the pandemic the Sheffield Christian Aid Walks Committee have recently announced that they will be restarting the Sheffield Night Hike Challenge in 2022. They have a new 15km route for 2022, a new start-and-finish in Hathersage, and a new time of year - Saturday 10 September.*

*Due to the shortened and hence less challenging route Simon & Dave have decided not to undertake this new challenge 😊*

*All money will be sent to CA via the walks committee and the final amount announced in the September News sheet.*
